Anger Management

4, 8, and 12 Hour Courses

Anger management and conflict resolution class will help you understand what to do when it seems like anger is out of control. The program includes: a self-scoring assessment, how to control the anger, setting boundaries assertive vs. aggressive behavior, family conflict management, and conflict resolutions skills.

Marijuana/ THC Education

4 Hour Course

The contents of this THC/Marijuana education program are for a first-time or repeat offender. The class covers issues related to marijuana use and the consequences of possessing this drug. Included are the risks of marijuana use, marijuana's addictive qualities, synthetic marijuana and drug facts.

Advanced Parenting Skills

4, 8, and 12 Hour Courses

Advanced parenting skills class can enhance your parenting techniques to better meet the developmental needs of your children as they grow. Children don't come with instruction manuals, but taking an advanced parenting class, just like this one, may be the next best thing.

Drug & Alcohol Education

6, 8, and 12 Hour Courses

This program is designed to educate adults and juveniles on the risks associated with alcohol and drugs. The course includes information on the effects of substances on the brain and body, the dangers of driving under the influence, and the legal consequences of use and abuse.

Petty Theft

4 & 8 Hour Course

This course is for anyone who has been ordered to take a shoplifting, larceny, or theft awareness class. The class answers questions such as: "What are the consequences of stealing?", "How do I resist the impulse to steal?", "Why do I feel justified to steal?", and "How do I learn to make better choices?"

Truancy Intervention

Truancy Intervention Program gives practical information that can be put to use immediately. Along with useful tips, the program helps identify and address common issues students and parents may be experiencing.

Life Skills Plus

10 and 20 Hour Course

Life Skills Plus teaches how to make better choices and decision making skills. Participants will learn budgeting, positive thinking, integrity, the importance of character, self-esteem, and motivation.

Tobacco Awareness

The tobacco awareness class gives the harsh reality of the addictive qualities of nicotine and tobacco products.
